The Secretary,
Howard University,

Dear Mr. Nabrit:

I recently received a copy of the Howard University Bulletin, a Christmas card from the School and a letter of Seasonal Greetings signed by the President. I wish to say that it was very pleasant indeed being remembered in such a manner by my Alma Mater, and of course, it brought back many pleasant experiences and associations.

Unfortunately, I haven't run into many former Howardites in this neck of the woods. Only two, in fact. The first one I didn't formerly know and cannot at this time recall his name. The second one was Lt. Benjamin Smith, a graduate of the School of Music. Needless to say, they were both happy meetings.

Naturally, we over here are attempting to do our duty as efficiently and expeditiously as possible in order to bring about a near-future victory and return to our homes. In this attempt, we are guided and energized by the memory of Ol' Howard and the principles and spirit given us by the faculty-body while under their tutorship.

I wish to be remembered to Dr. Washington, Miss Mitchell, Miss Grant, Miss Edwards, Mr. Jones, Dean Hawkins and all the other members of the faculty whom it was my pleasure to know and study under. Remember me in any future releases of publications from Howard.

Sincerely,

ROBERT H. WYNN,
Technical Sgt., USA.
